

SCRAPDOG

SCRAPDOG is the premiere up and coming rock n roll band from Denver, Colorado. Formed in 2026 from a vibrant group of Denver and Austin music scene veterans, the project is centered around the prolific and multifaceted songwriting of singer/guitarist Justus Lacewell. The virtuosic lead guitar work of Eric Ciccone, commanding bass of Pat Young and the foundational drumming of Casey Ciccone round out the quartet's lineup while lending to the group a fathomless depth of musicality and sonic prowess. With original music covering a wide spectrum of genres from classic rock to country, americana and beyond, SCRAPDOG is already turning heads and leaving an indelible mark on the modern American music scene.
